Mickey's Very Merry Christmas Party Guide

PARTY OVERVIEW

Mickey's Very Merry Christmas Party is a ticketed event at Magic Kingdom, running select nights from November 7-December 21st, 2025. The party officially begins at 7:00 pm and runs until midnight, with Main Street Stores staying open a bit longer.

Event ticket holders can enter the park as early as 4:00 pm on the date of their ticket, giving you extra magical time before the fun begins. If you're already in the park, simply pick up your wristband at several locations inside Magic Kingdom. Be sure to grab a map and event guide (perfect for keeping as a souvenir!) as you enter, and download the My Disney Experience app for date-specific details.

PARTY TIPS

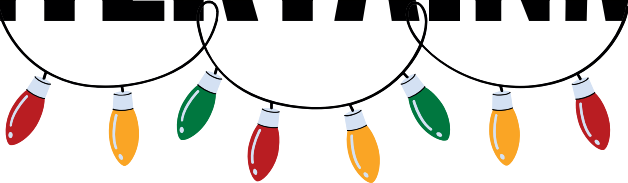

The party starts at 7pm, but guests are allowed inside the park at 4pm. I highly encourage you to take advantage of this. Planning is critical at the party as you have a limited time to do so many activities. Before you head to the party make sure you know what your family's must dos are.

Eat dinner before the party starts.

VERY IMPORTANT TIP FOR PARENTS: I RECOMMEND PUSHING THE KIDS NAPS A LITTLE LATE AND/OR LETTING THEM SLEEP IN THE MORNING OF THE PARTY.

- Go on some of your must do rides before the party and focus on the Halloween overlay rides during the party. (Jingle Cruise is open before the party)
- The least crowded spot for the parade is in Frontierland and in front of Town Square Theater (for this parade I highly recommend seeing it by Town Square Theater-it snows during the parade only on Main Street)
- If you are going to the first parade get there at least 30 minutes before the parade. That goes for all the entertainment
- Pack a larger tote bag to carry your cookies
- Focus on the Holiday Overlay Rides during the party
- Start collecting cookies in Frontierland or Adventureland. Those areas are the least crowded.
- If Jack and Sally are a priority I recommend heading there as soon as they let you in to the party at 4pm.
- Pay attention to the weather if it says it is going to rain head to the first parade just in case it rains later in the night.
- If a certain character is a must do for you - I recommend getting in line to meet them from 6pm-6:30pm so you don't have to wait hours
- If you have little ones pack snacks and a blanket it can get a little chilly at night. Small toys are great to help keep them entertain while you wait
